## **Changes in the Physical Activity Department**

Over the past two years, you will each have felt the positive influence of our Manager of Physical Activity, Cathy Paterson. Cathy joined us for BCFit 2016 and will bookend her leadership with BCFit 2018. It is with great regret that I announce Cathy is leaving her role as manager; the good news is that she is returning to her consulting company and will continue with us as on special projects.

Cathy has proven herself as a change agent, leading our department through important shifts in our culture of fitness leader service delivery. From raising the enthusiasm for BCFit, to modernizing The Registry® of Fitness Professionals and scrutinizing our certification system, Cathy has shone her leadership light on all we do in our fitness program.

Please join me in expressing gratitude to Cathy [by sending her your best wishes.](#)

Warmly,
