

BCRPA Pre-approved Workshops

About Pre-approved Workshops

Pre-approved workshops will provide you with a guaranteed number of CECs upon completion. In addition, these CECs will automatically be recognized within your personal account on The Registry® of Fitness Professionals as soon as the workshop presenter electronically enters a passing grade for you.

As a service for fitness leaders, the BCRPA generates a current listing of pre-approved workshops being offered by independent workshop providers*. This list is updated regularly on The Registry® website after you have logged in. All workshops listed on The Registry® website have been reviewed by BCRPA staff and have been pre-approved. Approval from the BCRPA means that the presenter is a current BCRPA Supervisor of Fitness Leaders (SFL) or Trainer of Fitness Leaders (TFL) and has provided a workshop outline and all workshop materials for review.

Workshop listings are organized alphabetically by Location then chronologically by Date.
