

CERTIFICATION WORKSHOPS

POOL OPERATOR LEVEL 1

Feb 24 & 25, 2020

8:30am-4:30pm

Member: \$155
Non-Member: \$165

Pool Operators Level 1 is an introductory course, with topics designed to build an understanding of swimming pool operations and maintenance. Students attending the sessions will be exposed to information that will help them develop an understanding of Swimming Pool Operations and Maintenance.

PLAYGROUND SAFETY AWARENESS COURSE

Feb 25, 2020

8:30am-4:30pm

Member: \$168
Non-Member: \$202

This course is for those who need an introduction or refresher on playground safety and the Canadian Standards Association's (CSA) Children's Play spaces and Equipment Standards. This course introduces and reviews the skills and knowledge required to detect hazards and non-CSA compliant installations.

DEALING WITH DIFFICULT PEOPLE: RISK MANAGEMENT STRATEGIES FOR PARKS STAFF

Feb 25, 2020

8:30-11:30 am

Member: \$69
Non-Member: \$83

ISA CEUs: 2.75

Do your parks staff have the tools they need to know how to speak to unhappy or demanding members of the public? In this session, Samantha will share real stories and examples of outcomes and consequences that can be avoided when communicating with the general public.

OCCUPATIONAL FIRST AID TRAINING

Feb 28, 2020

8:30am-4:30pm

Member: \$139
Non-Member: \$167

ISA CEUs: 7.0

Occupational First Aid (OFA) Level 1 is a basic level first aid training and certification program designed to provide life-saving first aid skills to workers in the industry. Previous first aid training is not required. Certification is valid for 3 years.

TURF MANAGEMENT: RECRUITMENT AND RETENTION OF PARKS STAFF

Feb 25, 2020

12:30-3:30pm

Member: \$69
Non-Member: \$83

Does your biggest budget item receive minimal attention? Join an educational session facilitated by Turfgrass Management professional, Stan Kazymierchuk, who will talk about how to *Recruit* more efficiently, how to *Supervise* more productively and how to *Retain* good staff more effectively.

ECOLOGICALLY MODELLED PLANTING DESIGN WORKSHOP

Feb 28, 2020

9:00am-3:00pm

Member: \$115
Non-Member: \$139

ISA CEUs: 2.5

You will learn the long term implementation of Ecologically Modelled Planting Design (EMPD) while taking a tour of the UBC Botanical Gardens and UBC Farm Project Site. Join peers at this practical session that will demonstrate how to successfully remove invasive plants using EMPD techniques and garden management.

WHMIS COURSE

Feb 25, 2020

12:30-3:30pm

Member: \$69
Non-Member: \$83

ISA CEUs: 2.75

Many workers are exposed to hazardous products in their work. Hazardous materials may cause serious health problems in workers, or cause fires or explosions in the workplace. WHMIS provides information on hazardous products, as defined and described in the federal Hazardous Products Act and Hazardous Products Regulations, so workers can protect themselves
