

WhirlyQ™ Spinner

WhirlyQ™ Spinner

Whirly Swirly Spinning!

Let all the kids get in on the spin with our WhirlyQ Spinner. The swooping sculptural form not only provides beauty and visual stimulation to your play environment, the spinning motion also supports healthy growth and development in kids. With a base platform at transfer height, kids of all abilities can hop on for swirly fun.

Features:

- This spinner is designed for inclusive fun with a large, black GripX-textured deck at transfer height that provides easy access
- Durable galvanized steel frame, in your choice of ProShield® color, provides many handholds
- Spinner base and top made from durable, UV-stable rotomolded polyethylene in your choice of color
- Surface mount only

Developmental Benefits:

- Sensory: vestibular+, proprioception, tactile
- Motor Skills: agility, balance, coordination, flexibility, motor planning, core, lower and upper body strength
- Cognitive Skills: problem solving
- Social/Emotional Skills: cooperation, social skill development, imaginative play
