Sybertech is committed to bringing new and innovative technologies to the public and government to reduce expensive operational costs and provide a cleaner, safer environment.

DOG HOUSE STATION AND WASTE BAGS

- ◆ Two Dog House designs available: Front-Pull and Bottom-Pull
- ◆ Bags are made in North America from 100% recyclable materials – in the presence of oxygen, microorganisms and moisture, the bag will first degrade, then biodegrade to carbon dioxide, water and non-toxic biomass (humus) *as described in ASTM D6954-04.
- ◆ Ideal for dog parks, community trails, recreation and sports fields, beaches, hotels, university campuses and much more!
- ◆ Customizable printing available
- ◆ Contact Sybertech Waste Reduction Ltd. today for more information!!
