

Psychological First Aid Instructor

Psychological First Aid Instructors support the delivery of our Psychological First Aid course. Candidates will develop competencies in facilitating case-based learning, and how to support learners in understanding a resiliency-building approach to emotional, psychological, and social wellbeing.

Audience

Instructors who wish to deliver the Psychological First Aid classroom-based course.

Duration

Classroom: 14 hours

Instructor

Certified Red Cross Psychological First Aid Instructor Trainer

Prerequisites

- 18 years of age
- Fundamentals of Instruction (online and in-class)
- Psychological First Aid certification

Completion

Attend and participate in 100% of the course. A post-course, competency-based teaching experience with the support of a Teaching Experience Supervisor may be required.

Certification

Psychological First Aid Instructor certificate is available for download upon successful completion of training and is valid for 3 years.

Course Content

- Loss, stress, and grief and how they affect us
- Psychological First Aid
- How to facilitate problem-based/case study learning
- Selecting, planning and facilitating an activity

Resources

- *Instructor Guide – Psychological First Aid*
- *Psychological First Aid Workbook* (digital and/or print)
- Media Presentation
