

Authorization to contact the BCRPA on behalf of a Fitness Leader:

In compliance to Provincial Privacy legislation, the BCRPA does not discuss matters relating, but not limited to, the registration progress, registration status, exam results, SFL or TFL application progress with anyone other than the individual Fitness Leader him/herself.

Publicly available information regarding fitness leader registration status can be found in the public profiles listed on The Registry® of Fitness Professionals (www.thefitnessregistry.com). Note: not all currently registered BCRPA fitness leaders have a public profile.

The only circumstances in which the BCRPA will discuss a Fitness Leaders registration with another party are:

- 1) If the Fitness Leader is a minor under the age of 16 and the inquiring party is their parent or guardian,
- 2) If the Fitness Leader requires assistance due to an authenticated disability documented in their account
- 3) If presented with a court order.
