→ Calendar & activity management
→ Powerful advanced custom booking
→ Task, staff & resource management
→ 24/7/365 technical support

FLEXIBILITY & CUSTOMIZATION

Xplor Recreation has all the tools and connections you need no matter the size or complexity of your organization.

Features include:

→ Responsive & accessible design – manage your facility on the go
→ Built-in marketing & email automation
→ POS & store management
→ Social media integration
→ Seamless third-party integrations

> We chose Xplor Recreation as part of a large consortium of Municipalities mostly from BC, Canada, which jointly developed over 1,000 requirements for our needs. Xplor Recreation came out on top of the rigorous international competition! The flexibility and customization available in the Xplor Recreation application is fantastic. Our first big registration just two weeks after launch was a huge success. The online platform handled everything smoothly in what we normally did over two days!
