Dear Mr. Singh,

The BC Recreation and Parks Association (BCRPA) is a not for profit organization that plays a central role in leading the enrichment and improvement of the quality of life of British Columbians and their communities. We do this by championing recreation and parks as essential services.

BCRPA is a member of the Canadian Parks and Recreation Association's (CPRA), a national organization that works to fully realize the role parks and recreation can play in building healthy and vibrant communities in Canada.

BCRPA, along with CPRA and our provincial and territorial partners, will be holding a Day on the Hill in Ottawa on **Tuesday, November 5th, 2024**. We will be in Ottawa for meetings with Members of Parliament and Senators to discuss issues related to the parks and recreation sector in Canada that are of profound interest to your constituents.

The purpose of this email is to kindly request a brief meeting with you in your Ottawa office on November 5th, 2024, that will include a small delegation of no more than four representatives from our sector who are knowledgeable about these files.

If you can confirm a meeting now, I invite you to connect with my colleague Denise at info@cpra.ca or by phone at 613-523-5315.

If you would prefer we follow up with you later, please let us know.

Thank you for your consideration of our request!
